Reporting on code enforcement activities for Dec 2023-Jan 2024

I have been fining up on fire inspections for the winter

I have been sending out renewal letters for open building permits

I have been working on a fence permit application with hope and also a paper for the u-dig/811 to put into every permit packet so everyone can make sure they don't hit anything underground while digging

I had one complaint about a deck/walkway with stairs that is being taken down now at 274 Main street

Thanks to all Lady's in the office for their help
