

Village Board Meeting

December 2023

Streets

- Jason Has been doing very well!
- Some tree limb trimming for plowing.
- Sand and salt are delivered and mixed.
- Both sanders have been checked and one is in service if needed.
- 2011 Ford repairs and pricing new replacement.
- Depot St bridge has been red flagged by State DOT out of Binghamton.

Water

- Plant is running smoothly.
- Shut off job at Creamery went very well.
- Still waiting to hear back from the DOH regarding a date for our annual inspection.
- Just a heads up, were due for a “Comprehensive performance evaluation” by the state DOH. Sometime in May 2024.
- Looking to replace some electrical heaters with IEEP money.

Sewer

- The plant is running fine.
- Mark completed his 2-week basic Opps course for wastewater. He unfortunately failed the final exam. His retake is Dec 21st. He still has his 2 other classes. One in January, the other in February. Both are 1-week long.
- In communications with Lamont about re-routing depot St sewer line out of bridge.
